

Job Description and Person Specification

Job Title: ASSISTANT RANGER

Role Profile: To deliver and support the management of a wide range of community based conservation projects engaging a broad range of stakeholders

About the role.

Your role is to assist the Ranger team in the delivery of practical based environmental projects with the help of the local community. Chiltern Rangers aim to engage and inspire a wide range of people and organisations including schools, businesses, faith groups, uniformed groups, local authorities and the local community in general.

It's about getting people of all ages and abilities to take part in looking after the local environment, having fun and hopefully come back for more! Chiltern Rangers aim to be truly representative of the local community and become relevant, welcoming and enjoyable to and for people of all social and economic demographics.

As part of our team and with the help of the community, you will assist in the delivery of a variety of conservation and environmental educational projects. These will be almost as variable as your volunteers, you will help with the management of a variety of Chiltern habitats including Woodlands, Chalk Grasslands and Chalk Streams but will also work on urban parks, school grounds, housing estates, farmland and more. Tasks include delivering a wide variety of activities such as scrub clearance, woodland thinning, hedge laying, tree planting, footpath work, litter clearance, grass cutting, creating wildlife friendly community gardens, forest school work, guided walks and much more.

The role will involve elements of project monitoring; ensuring that what you've done, who you've done it with and how long it took are all inputted in to the system.

About you

To succeed in this role you will be excellent at working with people and will need to transmit your passion for place and wildlife to both new and existing volunteers. You will be able to communicate clearly with people from a range of backgrounds including those with learning difficulties.

You will have some experience in carrying out a range of practical, physical conservation tasks from scrub cutting and tree felling to creating raised beds, bird feeder stations and bird boxes. You will be Flexible, determined and resilient and demonstrate a positive, inspiring and 'can do' approach to the role. Crucially you will be willing to learn and develop your skills and knowledge base.

Line Manager: Operations Director, Chiltern Rangers

Location: Chiltern Rangers, High Wycombe Buckinghamshire

Salary: £20,000

Full Time/Part Time: Full time

Working hours: 37.5 hours per week

Length of term: Permanent

Responsibilities:

You will be responsible for ensuring that the sites you work on are positively managed for biodiversity and the communities engaged see a positive outcome for themselves and those that live and work there. You will support Chiltern Rangers staff to deliver projects on time, safely and within budget.
