

Job Description and Person Specification

Job Title: Community Ranger	
Salary: £24,900	Length of term: Permanent
Full Time/Part Time: To be confirmed at interview. We require a minimum of 3 days for this post.	
Working hours: 3-5 days per week (22.5-37.5 hours).	
Location: Chiltern Rangers, High Wycombe, Buckinghamshire, HP11 1SL	
Community Ranger Profile: <p>We are looking for someone to join our team who is passionate about working with people to make our community better for wildlife and enhance the lives of our volunteers through the sessions we deliver. As a Community Ranger, you will be expected to reflect our core values in delivering our mission. You will be community-minded and have an aptitude for working with people of all ages, abilities and from all parts of our community in delivering our conservation projects.</p> <p>You are expected to demonstrate a range of skills and competencies in organising, planning, preparing, reporting and leading on delivering a range of practical conservation sessions throughout the year.</p> <p>There is a need to be organised as there is a fair amount of project management and community/volunteer co-ordination work integral to this role. Proactive, independent thinking together with a strong team working ethic are essential.</p> Community Ranger Duties & Responsibilities: <p>You will be responsible for managing some of our core sites (which include a tree and wildflower nursery) as well as projects to enhance key Chilterns habitats such as chalk grassland, woodland, chalk streams and also urban green spaces too. You will do this with our volunteers – engaging, enthusing and educating them as you deliver the aims of the projects you’re working on. This will include delivering sessions to school children, people with special educational needs, adults with additional needs, volunteers from local businesses and anyone else from the local community who wants to be involved.</p> <p>You will need to read and understand the operations manual and the individual site management and project plans in order to do this.</p> <p>You will be responsible for ensuring that the people we work with have a positive experience while they are with us and want to come back for more. You will ensure that the sites you work on are positively managed for biodiversity, people are engaged and having fun and see a positive outcome for themselves and those that live and work there. You will support Chiltern Rangers to lead and deliver projects on time, safely and within budget.</p> <p>Other duties include maintaining tools & equipment, help keeping the depot, office and vehicles clean, tidying and maintaining as appropriate including regular vehicle checks which help to keep everything running smoothly.</p> <p>You will be required to keep project administration up to date. This may include updating our CRM database, using Google and Microsoft programs and social media platforms to ensure we can track the social and environmental impacts of our projects to our stakeholders and the wider community in general.</p>	

Job Description and Person Specification

Reporting to the Senior Ranger, you will be expected to work closely with the other rangers who will support you to ensure this work is planned and delivered to the standards we require.

You will work on a number of projects and support and guide other members of the team such as Assistant Rangers, trainees, interns, apprentices and of course our volunteers.

About you:

To succeed in this role, you will be excellent at working with people and will need to transmit your passion for place and wildlife to both new and existing volunteers, inspiring them to be the difference. You will be able to communicate clearly with people of all ages & abilities from a range of backgrounds, including those with learning difficulties and disabilities.

You will have some good experience in carrying out a range of practical conservation tasks, for example, scrub cutting, hedge-laying, tree planting and building raised beds.

You will be keen to learn new practical skills and pass on your knowledge to others.

You will be happy outside whether it's lashing down with rain, freezing cold on crisp winter days or carrying out practical work on the hottest days of the year.

You will be flexible, determined and demonstrate a positive, inspiring and 'can do' approach to the role. You will also need to be resilient and innovative as engaging with and recruiting volunteers takes dedication, time and effort to build relationships and trust.

Crucially, you will always be willing to learn and develop your skills, experiences and knowledge base, develop new partnerships and help us make more positive impact.

You will be keen to be part of a friendly team where no job is too big or too small and you'll be happy to get stuck in with anything and give it your best shot.
